Are you ready to write? It's almost time for that race-against-the-clock, heart-pounding rollercoaster of creativity that is National Novel Writing Month! In just two weeks, writers everywhere will begin penning the tales that will sweep them away for the rest of November. Make sure you announce your novel before November begins by visiting the Library's web site, so you can get writing on Day 1. Even if your inspiration is infinite, you still need to start somewhere. See Mr. Kilburn or the Library's web site if you have questions.

Make your plans Highland High School, because next week is Teen Tech Week, part of our month-long Teentober event highlighting what the Library has to offer. Stop by the Library to learn about coding with Sphero or our Parrot drone, and Mr. Kilburn's favorite, the code-and-go robot mouse. Learn how to use our 3D printer, or experiment with Raspberry Pi. Students are invited to stop by during lunch to design your very own school appropriate button using our button maker! Next week, Get Connected @ Your Library.

Juniors! The callout meeting for prom committee is Tuesday (10/22) after school in Mr. Hus's room! We need a good group of about 15 or so students! Find your class officers if you have any questions!

Look out at Friday's football game between 1st and 2nd quarter for a Miracle Minute! We have 60 seconds to run throughout the stands and collect as much money as we can! 100% of the proceeds go to Riley Children's Hospital

The following colleges will be visiting Highland High School.

Oct. 23	per 6	St. Mary's College
Oct. 24	per 6	Franklin College
Nov. 6	per 6	Western Michigan University

Sign up sheets are available in the guidance office.
